Heifers had a very long day, mustering in the early hours of the morning, trucked to another property, then weighed directly off the truck. All were quite sensible considering, just a few anxious ones that wanted to get away from the pressure of the handler. Much more settled in the race and crush where they had to think a bit more. Just needing a bit more quiet handling.

Assessor Comments

Healthy young females with plenty of growing yet to do. All carrying a healthy shine in their coat, in fresh store-forward store condition. Depp roomy bodies with plenty of length and a maternal look about them. PTIC to high-end select Te Mania sire for a short early Spring calving. Every one of these young females will grow out to be a proper cow making this is an ideal line of females for anyone wanting to introduce some very smart Te Mania genetics in to their program. Or calve down & take advantage of the buoyant Heifer & calf market. Buyer Notes. 1 Heifer presented with a minor eye blemish. 3 Heifers presented with a small white splash on her flank. 1 with white up to her navel. 1 Heifer with some very small warts on one eye. Please see photos & video for full contentment.
