Quiet: 10 head	Quiet: 10 head	Temperament not assessed in Paddock

Hfrs handled very well in yards and at weighing. Vendors always handle cattle on foot and in a very quiet manner.

Handled With On foot

Assessor Comments A great opportunity to purchase genuine line of vendor breed PTIC Angus hfrs. Very well grown and a temperament that I can not fault. Only being sold due to a herd downsize, please note 1 hfr show white udder, 1 hfrs has white udder and white leading up stomach. 1 hfrs was treated for pink eye at assessment and all hfrs had a easydose treatment for flys at assessment.
