Handled With	Very quiet to handle in yards			
	Bikes , On foot			

Assessor Comments	6 good framed Angus steer calves, very quiet to handle around the yards. All showing very good shape and muscling and very healthy coats. All are electric fence trained and have been strip fed regularly. They are out of good framed cows and a by a well shaped "Marchington" sire. These steers look to have the ability to grow out to heavy export weights.
