Assessor Comments	Buyers a quality line of well bred Luing/Angus x heifers. These heifers are displaying great shape, depth & bone and in good forward condition. Cattle should continue to grow out into medium-heavy weight cattle to suit grass fed markets being JBS Farm Assured & Greenham NE Acc. Alternatively, these heifers would make great future breeders, if you decided to go that way. Please note - Grey heifers are out of a yellow Luing cow by an Angus Semen straw. 1 head have white belly. Vendor has 2 other lots in this sale.
