Assessor Comments	19 Quality Well educated Vendor bred Hereford and Shorthorn x heifers. The heifers were weaned on the 15/12/2021, being 14 day Yard weaned and handled through the yards everyday. The heifers have plenty of bone and shape to them, while still showing signs of softness and finishing ability. These heifers are ready to bloom with all the hard work already being done for you, just show them the feed and watch them perform and develop into excellent Matrons. Please Note: A % of weaners with pinkeye have been treated every 2-3 days and patched to contain the spread, and a % of weaners have pinkeye scarring. Sisters & brothers in today's sale also
