Handled With	Cattle are easy to handle and are very quiet for the breed, the vendor has been using LSS Principles on there stock.					
	Bikes , Low Stress Stock Handling© practices (3/6/2004) , On foot					
Assessor Comments	6 Weaned steers. Steers have had a great start with the vendor putting plenty of care into them. They are well weaned and in good condition. Cattle have been weaned onto hay, grain free pellets, silage and grass. The wide variety of feed has					

been introduced to insure that they start putting on weight straight away. All steers are eligible for Greenham Never Ever and are all vendor bred.
