Cattle are easy to handle and are very quiet for the breed, the vendor has been using LSS Principles on there stock.						

Handled With	Bikes , Low Stress Stock Handling© practices (3/6/2004) , On foot
Assessor Comments	17 Droughtmaster cross steers. The vendor has put plenty of care into these steers. they are all well weaned and in great condition. Cattle have been weaned onto hay, grain free pellets, silage and grass. The wide variety of feed has been introduced to insure that they start putting on weight straight away. All steers are eligible for Greenham Never Ever and vendor bred.
