Assessor Comments	Annual offering on A+ of these magnificent calves. This is the middle run of Char. X Steers weighing 350 - 399 Kg when assessed. An even line of beautifully shaped, well muscled calves with good, medium frame with plenty of thickness. Forward condition and will continue on in the feedlot or paddock to make excellent heavy Steers or Bullocks. Would be battling to find better Euro X calves of this quality and quantity anywhere in the country.
