Assessor Comments	A/C Hage, 7 Heifers ave 349kg. (3 silver,3 Black, 1 Brown).This is a line of excellent growth, long bodied, heavy boned heifers with great muscle and growth potential. The quality and evenness of this line of heifers is a credit to the vendor and the style of cattle being bred. They are in good foward condition ready to go on. Heifers present in fresh condition,being bred from Large frame cows. I highly recommend as these cattle are meticulously bred and analysed year on year for performance.
