Assessor Comments	A good line of Angus cows and calves. Angus calves at foot by the Wattle top, Pathfinder and Booroomooka Angus bulls. Cows have all calved out and are doing a great job on there calves. Please note 7 cows have a touch of Santa in them from a generation ago. It was noted that 5 cows had some old pink eye scaring and one had a long toe but all considered not detrimental to the cows performance. Two calves were treated with ampiclox at time of assessment for pink eye but should make a full recovery. A good opportunity to secure a cow/calf unit that will have a quick return.
