Assessor Comments	An opportunity to purchase an outstanding quality line of Angus/Santa Gertrudis Heifers that are PTIC to low birth weight Angus bulls. These quality heifers are bred from large framed Brookside Santa Gertrudis cows & Coffin Creek Angus bulls and are showing the traits of both breeds with a lovely softness & correct structure being present. With an above average temperament and a 20% tail removed from the herd these heifers carry my strongest recommendation! Buy with confidence. * 1Heifer with a scour (photo) & 2 Heifers with a red fleck were observed at assessment
