Assessor Comments	Outstanding quality Angus Heifers 2018 Drop. Pure Rennylea Blood for 15 years.Good frame,easy doing cattle. Calves at foot by Top Bongongo genetics. Heifers commenced calving end of November 2021 for tight 6 weeks. Mulgoa cattle are sort after feedlot performers with excellent marbling feedback. Heifers have been well handled in good facilities, as a result they are quiet and easy to handle. Ideal commercial replacements. Have all calved unassisted. Odd blue eye considered not detrimental.
