Handled With	Bikes , Dogs , Horses , Vehicles					
Assessor Comments	21 exceptionally quiet, young Hereford 2nd calvers, PTIC to the Limousin Bull for an August calving. These moderate framed heifers are proving to be very good mothers are very milky and are doing a remarkable job on their current calves (Photos of current calves just weaned are available on request). They were a pleasure to handle in the yards. All the hard work has been done with these heifers, animal health is all up to date just show them feed and let them calve.
