Assessor Comments	A very good line of breeder heifers that are well grown and will develop into beautiful breeders. These PTIC Heifers are due to calve in spring. This is the first time since the drought that Berrembed has had the opportunity to offer surplus to requirement heifers for sale. Berrembed Station has been paying top money for Dunoon Bulls for many years and this policy has paid dividends. Please Note: One heifer has cloudy eye (considered fine) and one heifer has white underbelly. Sisters from the same property are also in this sale.
