| Assessor Comments     | A nice line of Angus & Angus cross heifers, PTIC to Shacorrahdalu Angus bulls selected for LBW & calving ease. These heifers consist of Tabletop, Dunoon & Constantia Angus genetics infused with Yavenvale Hereford genetics and would be great heifers to take on an calve down as future breeders. Vendors have several lots in this sale giving you the opportunity to put a large run of PTIC females together off the one property. |                                                                                  |                         |                                     |
