	Heifers were easy to handle in both the yards and crush. They had a little bit of run when pressure applied from around 4 metres.					
Handled With	Bikes , On foot , Vehicles					
Assessor Comments	Hedera Anna Nominees draft of black baldy heifers. 24 PTIC to Glenfalloch and Aberdeen Angus Sires. The heifers have been on a basic maintenance ration however easy to handle with plenty of frame and maternal traits to work with. Heifers were purchased in Bairnsdale Weaner Sales and joined for a PTIC program. With a sound temperament, a handful have minimal blue eye scarring but nothing detrimental. These heifers are raw in condition but present healthy and strong. Please note the same vendor has 4 other lots in this sale.
