Assessor Comments	A little lot of front paddock cattle that are doing an exceptional job on there calves (av 255kg).These ladys are on there second calf and are good to handle.They were brought in as young calves from a local dairy farm and bucket reared. These cows have been departuted to a registered speckel Park bull (yogis heir) on the 11/11/21 and will remain in until delivery. This bull is the same sire of the calves at foot.
