Assessor Comments	A nice line of PTIC Angus Heifers due to calve August. These Heifers are Te Mania and Coolana Blood and have years of breeding behind them. The Heifers are PTIC to a LBW Te Mania Bull and are in perfect condition to run through to calving. They are only being offered as they are calving in August and the Vendor is tightening up his calving this year as they have enough numbers to do so. Genuine Sale.
