Assessor Comments	Buyers this is an opportunity to purchase a line of proven breeders with plenty of genetics and style about them. The cows in this line are lovely big framed cows with plenty of softness and eye appeal. These cows are all PTIC to Elite Cattle Co Charolais bulls as well as Bauhinia Park Charolais bulls. There are 17 cows PTIC 1-4 months and 24 cows PTIC 4-6 months. The cows in this lot are all in very good condition and will produce top quality calves as they have done for the vendor. Please note there are a small number of cows with buffalo fly rub marks around the neck area. The vendor is only selling these cows to ensure they are able to hang onto younger breeding females. With the weight in these cows they will definitely make a good trade option or rejoin to a bull of your choosing to take advantage of the genetics on offer.
