Assessor Comments	Attention all buyers today we have to offer 8 x 8 Cows and Calves. These Cows have been tremendous mothers and always done the job for the Vendor. These Cows will make ideal turnover units as they all have good frame and hold their condition well. The Calves are sired by Droughtmaster and Santa Bulls. There was 4 Heifers, 2 Steers and 2 Bull Calves on assessment. Given the opportunity these units will continue to grow into whatever you desire. Please note on assessment and refer to photo that one Cows has an lopsided udder but has always still grown good calves. Vendor does have another lot in the Weaner / Yearling sale. Vendor has pretreated the cattle a week ago to help with clearing if required. Please note these cattle are in the Tick area and will require clearing to enter the clean area and this will be at the purchaser's expense.
