Assessor Comments	Buyers, here is a nice line of young soft Angus & 2 Angus cross cows and calves. These cows have great length of body with good frame. Cows show nice softness and are doing a fantastic job on calves averaging 170kgs. Cows have been running with a Branchview Charolais bull since 1st of November. All cows have been on a strict preg testing program with empty's being sold every year. Cows worked well through yards. This is a genuine sale of young breeding stock only being sold due to lose of lease property. Note vendor has other lines in same sale.
