Assessor Comments	A good line of PTIC Cows joined to Angus Bulls (Landfall New Ground N90 and Baldrige Alternative E124) . Cows are predominately good medium to large frame Cows. Cows would be a great asset for someone looking to rebuilding breeder numbers or for a starter looking to start with a great line of Cows. 1 Cow noticed with scarring on eye which was treated on date of assessment. 2 Cows having white around the udder. Please note Vendor has additional PTIC Cows in same sale.
