|                    | Generally good cattle to handle. A few of these cows did get agitated when being mouthed.                                                                                                                                                                                                                                                                                                    |                                                                          |                         |      |                             |      |   |      |
| Handled With       | Dogs , Horses , Vehicles                                                                                                                                                                                                                                                                                                                                                                     |                                                                          |                         |      |                             |      |   |      |
| Assessor Comments  | A smart line of cows, Preg Tested in calf to Booroomooka & Trio Angus bulls. These cows are young to middle aged cows with plenty of quality. They are up to date with their vet treatments & are 3-7 years old, & 3-5 months in calf                                                                                                                                                        |                                                                          |                         |      |                             |      |   |      |
