	heifers had some run in them when being moved around the yards and a few became agitated in the crush and while being mouthed but calmed down when returned to the mob.			
Handled With	Bikes , Dogs			
Assessor Comments	18 Angus Cross heifers PTIC to Angus Bull to commence calving early July. These heifers were joined from the 25th of September to the 12th of January, with all 18 falling pregnant in the 1st half of the joining. Heifers were sourced from regional selling centers in Winter and have done well since landing on "Nioka". The opportunity to purchase a small but tidy line of Angus cross heifers calving in a tight window. Please note the vendor has another lot of PTIC crossbred heifers offered in the same sale.
