These heifers have been educated by professional stockmen & are good to handle.

Handled With Bikes , Dogs , Horses

Assessor Comments An outstanding line of vendor bred PTIC Angus heifers. These cattle tick all the boxes. They have great weight & growth for age& fantastic breeding & temperament. They are in calf 3.5-5 months to LBW Dulverton Angus bulls & have been joined for a 43 day period. These are real front paddock cattle & there are two other lots of 24 in this sale.
