Assessor Comments	An opportunity to secure 19 stunning PTIC Angus females with all the hard work done. Coming from well respected PTIC program, Mione Pastoral, these Booragul Blood heifers have had a tight 42 day joining and have done exceptionally well. 8 to 14 weeks in calf to a Low Birth Weight Hollywood Angus Bull and holding great condition these heifers are well grown and would be a great addition to any program. NOTE 4 heifers did have a splash of white on their under carriage and 1 heifer did display a couple of warts on the neck. Avg 481kg at assessment.
