Assessor Comments Offering a magnificent run of Angus/Hereford X PTIC heifers. These heifers were purchased from noted high country breeder 'RG Faithful' at the Omeo Mountain calf sale of 2021. Pregnancy tested in calf to stud registered Pheonix Park & Merridale Angus sires to calve from June to August, the joining period of these heifers was 31/8-26/11. These heifers are

	by Alpine Angus bulls and they are a testament to the breeding of the high country cattle, they are well grown and have been well cared for since purchase, mostly running on improved irrigated pastures these heifers are lacking for nothing. Heifers that come highly recommended and will stand any inspection.
