Assessor Comments	A neat line of large frame Angus x Friesian heifers doing an excellent job of their calves despite a dry season. These heifers are in light condition but putting it all into their calves, the heifers would leap forward when shown improved pastures and feed conditions. The calves are fresh and showing great shape, they are sired by a poll limousin bull and will make excellent vealers. Highly recommended outfits that are only being offered due to the dry conditions. Note the vendor also has a line of 4x4 in the same sale.
