Assessor Comments	These cows represent 1 of 2 lots consisting of a total of 56 Cows (1 BDble load). These are the taller and slightly heavier cows.Genuine vendor bred cows only being sold as the vendor has reduced some grazing country and needs to reduce numbers.They cows are big framed cows that originated from renowned Angus bloodlines and the vendor has been part of the Tom Lawson "Stabiliser" program for some time now. The cows have both Top Angus and Stabiliser bloodlines and have been joined to recent updated Stabiliser Blood bulls. Big honest cows that will produce great calves to the person who gives them a chance.
