	This line of heifers were a pleasure to handle in yards, very quiet cattle that have been well educated in and out of yards.					
Handled With	Bikes , Dogs , Horses , Vehicles					
Assessor Comments	90 Vet PTIC Organic Certified XBred heifers that are all in calf to the Palgrove Ultrablack Bulls. They were tested by Reegan Lynch to be 2-5mths in calf, with a vet certificate available. This line of heifers have good frame and will grow plenty more before they calve down, all calves will be born by mid Spring 2022. The heifers are extremely quiet and good to handle in both paddock and yards. They are all organic, GAP & NOP certified. Please note 1 heifer with a slight twist in nose.
