Assessor Comments	An opportunity to purchase an even line of U8J registered Angus Heifers. These heifers have had a small 6 week joining period to LBWT Sire Square Mile Randall (SMAR1086) and were a pleasure to handle when assessed. Heifers present sound in structure with better than average growth for age, a temperament to match and present in forward store condition. Heifers would be an investemnt to any breeding program. Please see photos for EBVs.
