| Assessor Comments  | An Opportunity to secure 22 Heifers AI'd, (PTIC) to Trent Bridge Q118 (TBRFQ118). Trent Bridge Q118 is a son of the great marbling sire Coates Itoshigenami G113. This young sire himself is in the top 1% for the F1 terminal index and has high marbling, has good growth rates across his EBV's ,exceptional eye muscle area and carcass weight. The Vendors would welcome the opportunity to purchase the progeny of these heifers back as weaners if the opportunity arises. Heifers have been through the yards repeatedly in the last few months, and it has been extremely wet on property. These Heifers will power forward easily, and shown adequate nutrition should grow out into good heifers. ***2 SISTER LOTS IN THE SAME SALE*** |                                     |       |                |                |                |                                     |      |     |
