Assessor Comments	16 big volume, large frame Shorthorn cows, that have been the heart of the The Ponds breeding herd, packed full of years and years of Dunbeacon sires, these cows produced sale toppers at the recent Ray White weaner sale, all cows were mouthed and deemed sound, some r little short but sound, PTIC to Halls roan shorthorn bull, plenty of growth, these cows are aged cows but, will not disappoint, they will produce a cracking calf, some feet showing signs of long toes and the odd vertical crack, udders mostly good with some showing wear and tear, 1 cow hereford x shorthorn
