Assessor Comments	17 PTIC Hereford x Santa cows, these cows were purchased when property was leased, the cows we mouthed were sound full mouths, odd cow with short full mouth, principally 8/9 years, very deep, moderate frame cows, which have produced tremendous calves every year, PTIC to 3 Bridgewater Angus bulls & 1 Wombramurra Black Simmental running with a joining mob of 120 cows, 16 polled and 1 horned cow, most defiantly a few calves left in them, a few udders showing signs of wear and tear, and odd blue eye
