Quiet: 9 head Slightly Stirry: 3 head	Quiet: 9 head Slightly Stirry: 3 head	Temperament not assessed in Paddock											
Generally good to handle in the yards. 3 head stirred up in the crush when confined, but settled when back with their calves.													
Handled With	Bikes , Dogs , Horses												
Assessor Comments	A line of young Breeders on their first calf. All frame, no weight, but are in strong store condition. Calves averaged 138kgs at assessment. These females are all one mark. These cattle will excel, given then right treatment in these present seasonal conditions. Very good to handle in the paddock and have been broken in to dogs and horses
