Assessor Comments	Purchased from the Yavenvale on Property Bull sale in 2019 and only being sold as his services are no longer required within the herd. Progeny of N578 have been sold to feedlots and grassfed programs with excellent results. This bull has excellent muscle pattern and is in the top 10% of the breed for 200/400/600 day growth as well as being in the top 15% across all indexes. He has plenty of productive years left, being only 4.5 years old.
