Assessor Comments	On offer is a quality line of 2017 & 2018 drop Angus cows & calves. Cows were purchased ex Auctionsplus as PTIC cow out of the renowned Gundagai "Cleveden" herd. These deep body females are Dunoon & Bongongo Angus blood. Calves are sired by Milwillah N8 ranging from 120kgs to 165kgs at assessment. Calves are 3 to 4 months of age with 5 heifer & 2 bull calves. These females have been putting 110% effort into their calves and are proven breeders. Cows have been running back with Angus sire JSR R11 (Put in: 04/03/22 & will be taken out at delivery) Please see attached EVB. Buyers please note two cows were noted to have an old eye scarring in one eye only & one cow with a small white patch under belly. These females are being offered to the market, due to calving not suiting the vendor's program. Excellent opportunity to purchase these quality Angus cows & calves which would be an asset to any breeding operation.
