weaners had had minimal handling at time of assessment however still worked extremely well through the yards. Small percentage baulked going into the weigh box or tried to turn around in the race. when moving between bigger yards worked very well and had little to no trot with no-one controlling the lead. exceptional temperament that will only improve with more handling over the coming week.

Assessor Comments Astute buyers take note! Very good quality Droughtmaster Entires offered for sale on behalf of renowned Droughtmaster breeders Powerful Droughtmasters. Excellent temperament and years of breeding in these boys will ensure they continue to grow into premium quality feeders, heavy feeders and bullocks. Proven performance on grass and grain with numerous repeat buyers attesting to the performance of these steers. An excellent opportunity to secure a line of well muscled steers with very good confirmation, bone and temperament. Vendor bred, HGP FREE, and ready to fire ahead. all young males that are not showing any signs of being bully yet, will tidy up with no concerns. 1 x smoky coloured with the balance reds & honeys Genuine young entires with an outstanding reputation in the marketplace 212kg curfewed. "Length, Beef and Bone" is the vendors motto and you can certainly see it in these young boys!
