Weaners flowed well through yards and up the race with ease. The odd weaner stirred in crush but settled once back in the mob.

Assessor Comments	Buyers an opportunity to buy a run of VGQ PCAS eligible crossbred weaner steers. These weaners have all the right bloodlines and genetics and are best described as medium to large frame relative to age. This line of steers have been well educated by vendor through yards and will remain on good quality hay until delivery. A very reputable line of cattle for sale that will be ideal to put away on grass and grow out to heavier weights. A line of steers that will have plenty of compensatory gain in them and make excellent heavy feeders or bullocks. **VENDOR IS OFFERING TO DELIVER CATTLE TO ROMA**
