Assessor Comments	Buyers an opportunity to buy a run of VGQ PCAS eligible crossbred weaner heifers. These weaners have all the right bloodlines and genetics and are best described as medium to large frame relative to age. This line of heifers have been well educated by vendor through yards and will remain on good quality hay until delivery. A very reputable line of cattle for sale that will be ideal to put away on grass and grow out to heavier weights. A line of heifers that will have plenty of compensatory gain in them and make excellent trade feeders or future breeders. At assessment 1 x heifer noticed with slight ring worm marks around head. **VENDOR IS OFFERING TO DELIVER CATTLE TO ROMA**
