Heifers worked well through yards and were easily handled. A small percentage of the heifers became unsettled in the crush whilst being weighed but settle once back in the mob. Cattle required blocking up on the odd occasion through gate ways but will get better with more handling.

Assessor Comments	Buyers, on offer are 56 good quality Charolais, Santa x heifers that would suit the Woolworths and Coles specifications. These would be ideal to take through trade feeder/heavy feeder heifer weights or keep and take through to kill weights with potential MSA gradings. These heifers show good weight for age with plenty of length, depth and bone. Buyers please note 3 heifers had fly rub at time of assessment. Heifers are very tidy around the heads and could also be used as replacement breeders and joined to a bull of your choice. This is a quality little line up of weaners and are not to be missed. *Please note vendor has another 4 lot in same sale.*
