Very quiet and well handled Heifers. Did observe mustering from the paddock with one well trained dog moving Heifers to the yard quietly with no fuss..

Handled With: Bikes , Dogs

Assessor Comments: This crossbred line of Hereford heifers present in excellent condition showing a large to medium frame and would suit any future breeder program. The Sires of all these Heifers are Homeleigh Hereford Bulls over Hereford and Crossbred Cows. A pleasure to work in the yards and therefore would suit either the smaller size property or a good add on to a larger operation. These Heifers would suit all Buyers who are looking for well grown stock showing the benifit of crossbreeding on the Dam side.
