	Generally good to handle some heifers agitated in crush but settled quite quickly. As seen in video heifers are good to walk

Assessor Comments	Good line of Brahman and Brahman x heifers. A handful of flatback type heifers through this draft. But mostly more Bos Indicus types. Heifers have done very well on the Forage Sorghum and are only for sale due to a gap from Summer to Winter crops. Fresh condition ready to fatten for the heavy trade or in ideal condition to join up and add to existing herd. Mostly good to handle some heifers didn't like being confined but were fine to handle as a mob. They walk out well with Horse and dog or buggy. Vendor has 2 other lots in same sale. Including 54 Flatback Xbred heifers and 33 British Euro x type heifers.
