Assessor Comments	2nd Draft out of 150 heifers. This draft of heifers are the Flatback type heifers. Possibly the nicest lot out of the 3 lots offered. These heifers are various colours, but are all similar types slick skin with some Euro or British characteristics. Lovely growthy heifers ideal to join up or put back on crop to finish for local trade. 2 Droughtmaster and 1 Charbray heifer show some hump, but were nice type heifers with plenty of shape and were left in this group. Most heifers good to handle some heifers agitated after being through race and crush twice. But settled quite quickly and walked well for horse, buggy and dogs. Vendor has 2 other lots of heifers in same sale including 33 British Euro x and 67 Bos Indicus x heifers.
