Assessor Comments	Yurunga Farms offers 27 Friesian steers that are by AI out of very big Friesian cows. (There is 1 Brown Swiss x steer included in mob that is of equal frame and quality) These steers will grow into big steers having plenty of bone. Always well reared and properly weaned onto silage ration and quiet to handle. Drenched and vaccinated. There is a bit of variance in size/weight in this line. Note they have had trouble with pinkeye, calves were patched and treated properly and now about 4 with blemishes on eye/1 still has patch. Same vendor has a lot of Angus/Friesians in same sale.
