|                    | Steers were a pleasure to handle, they were drafted of the scales so never had to physically draft. Steers had been well handled prior with just a few getting agitated with extra human presence being so young.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                            |                                     |

| Assessor Comments  | Muntham, Vic will offer the lead draft of 106 Angus Steers, September/October 2021 drop, Dollar Angus, Banquet and Boonaroo blood, Weaned, PCAS, Grass Fed & Antibiotic free. They will present in good healthy store condition having be weighed at assessment from 237 - 325kgs to ave 274 kgs (full). Bred from large frame Banquet and Boonaroo cows, sired by Dollar Angus bulls, steers display great bone, depth, width and softness. A great line of one mark vendor bred steers that would be perfect for anyone looking to background steers for feedlot markets later on, or retain and grow out. All the work is done they are all up to date with their animal husbandry and weaned for 8 weeks, Please note at weaning pink eye was present with 9 of these steers display scarring all have been treated and healed up. Bid confidently knowing you are buying high quality genetics that come with an excellent bill of health. |                                            |                                     |
