Assessor Comments	27 Good Quality PTIC Hereford heifers that present in very good order. Joined to the Speriby North Stud Angus bull AJC N96 from 25/8/21 to 27/10/21, these heifers will commence calving in early June 2022. These heifers provide a wonderful opportunity to secure good bloodline heifers joined to a stud angus bull that will breed on for years to come. Heifers were dehorned prior to purchase and show no horn, 1 horn, 2 horns and scurrs (see photos) and were described as 20 Dehorned and 7 Scurrs when purchased. The Lanz family pride themselves on the handling ability of all stock on their property and have invested considerable time into these heifers with them being very good to handle at assessment.
