Assessor Comments	A nice line of Angus / Angus Hereford cross(Some heifers show Bos influence) Heifers and Calves offering the opportunity to secure a young line of Heifers with calves at foot. Calves are unmarked. Heifers are in Store condition with good fresh calves at foot. A 2 week delivery period has been put in place to allows calves to mature. It is not recommended Heifers and Calves travel further than 300km. The age of the calves requires management on delivery to ensure Heifers and calves re mother once delivered. Please note (2) heifers had a blue eye. (2) calf has pink eye in near side. Please take into allowance.
