Assessor Comments	Presenting a good line of heifers PTIC to a LBW Angus bull Wirrabilla Hallmark N535. Heifers present in good forward store condition and are really starting to mature and gain weight after a very wet early autumn. These heifers were purchased Ex the Ferguson family's renowned "Bowman's Forest" herd near Wangaratta VIC where they regularly purchase the top of the Alpine Angus and Welcome Swallow bulls. They have grown out into good medium to large frame heifers and will mature into quality females for any herd. Note 2 had some white underneath belly.
