Assessor Comments	Killara Rise offers R879 a big deep bull with tonnes of meat. He is a soft fleshy bull that is as deep as he is wide. He has a docile nature and make a great vealer bull. Excellent Simmental bull, showing plenty of length through the body, width and

	muscle through the stifle, rump and loin. Dam bloodlines originate from renown trait leaders, Buckingham Usher, Woonelle Hadau and Woonelle Boulder, Mount Mooney Nuclear has bred on powerful bulls with all the right commercial attributes, with his own breeding steming back to Woonallee Tornado. These young Killara Rise sires have all the right breeding and plenty of profitability for any herd. Whether it be vealer production, feeder steers or grown bullocks, these bulls will do the job for you. He also comes with full goggles around his eyes.
